Introduction of Insatech as Binder distributor in Denmark

Introduction of Insatech as Binder distributor for Denmark

After the first successful months of cooperation, it is a great pleasure for Binder to give a special introduction for the company Insatech A/S, the official distributor of Binder products in Denmark.

Insatech A/S was established in 1989 in Vordingborg, Denmark. Since December 2005 Insatech has been a part of the Addtech Group of companies – Addtech Life Science. Insatech supplies quality products, solutions and services in the fields of Measurement, Control and Calibration to nearly all industrial segments. The mission is to be a trustworthy and competent partner, who supplies technical solutions and engineering within process automation. Main markets are in the Pharmaceutical, Marine, Oil, Gas, Power and Food industry, which means Insatech has a strong knowledge of the special applications, as well as the requirements for documentation in these areas.

The Binder Group is happy to have won such a competent and strong partner for the Danish market and we are looking forward to a successful continuation of the partnership. Customers in Denmark are welcome to get in touch with Insatech under:
