

**OCTOBER 2014 | BINDER TECHNICAL TRAINING ASIA 2014  
SHANGHAI, CHINA**

**Successful Asia training - BINDER thanks all participants and sales partners for a fruitful BTTA 2014**

In order to further support the ever growing Binder network in Eastern and Southeast Asia + Pacific Region, BINDER held the first regional focused technical training session from October 29th to 31st in Shanghai, China. 26 Participants from 10 countries joined together and learned about new product developments and shared experiences in the field of customer oriented technical solutions and service with strong focus on Asia specific requirements.

The programme covered all relevant applications for the BINDER series COMBIMASS®, VACOMASS® and INSTRUM®.

Beside news and technical details, the participants could learn about the particular applications and the practical way for handling enquiries, the implementation of the products in its application, start-up and commissioning as well service and maintenance.

**OCTOBER 2014 | BINDER TECHNICAL TRAINING ASIA 2014  
SHANGHAI, CHINA**

**Successful Asia training - BINDER thanks all participants and sales partners for a fruitful BTTA 2014**

A highlight was the field trip to the WWTP Shanghai Songjiang, under successful VACOMASS® operation for many years and a case in point for a strong regional reference. The trip was accompanied by in depth training on the technical advantages of the new VACOMASS® Jet Control Valve.

We wish to thank all participants also for their valuable input and hope that the BTTA 2014 will help to further grow the VACOMASS®, COMBIMASS® and INSTRUM® business of all BINDER partners in Asia.
